Message from Joni Carter:

We never knew that when we joined the Gnat Boxers, what an awesome group of people we would meet. We have made so many good friends through-out the years. I want to take this opportunity to thank all of you for your caring thoughts and prayers while Rick was sick, and then the visits, cards, and prayers after his passing. I felt so much love and support from so many of you. Thank you from the bottom of my heart!
